 Chief, Clinton Syts

why bind not

① most don't follow labor contract who in
 & not in bargaining unit - those in are near
 at wage conf. - 10 yrs out of date

As ch binding not in
 not on ch

hold off

② certain rates various crafts -- not accepted yet

rates not yet arbitrated - JCP

Supr rates have been resolved but would
 change

government
 rates will
 still appear

③ wording

craft x 105%

same formula
 regardless of work

still in effect
 stays in

roughly
 5.5%

might be relative; not know yet of

JCP reluctant to overrule
